

Community Survey for AOS 93 Superintendent Search

To: AOS 93 Staff, Parents and Community Members
From: AOS 93 Superintendent Search Committee.

We hope this letter finds you well. As we navigate the journey to select a new Superintendent for our schools, your input is invaluable. Your perspectives, experiences, and expectations are crucial in shaping the future of our educational leadership.

To ensure that we capture the diverse voices within our community, we have created a Community Survey that seeks your feedback on the qualities, skills, and priorities you believe our new Superintendent should possess. This survey is a unique opportunity for you to actively participate in the decision-making process that will impact our schools and, ultimately, the future success of our students.

We understand that your time is precious, but your contribution to this survey is an investment in the well-being of our community. Your insights will guide the selection committee in making an informed decision that aligns with the values and aspirations of our residents.

Please take a moment to complete the survey, which can be accessed here: [Survey](https://www.surveymonkey.com/r/AOS93ssSurvey) (https://www.surveymonkey.com/r/AOS93ssSurvey). Your candid responses will play a pivotal role in identifying the characteristics that matter most to our community.

We appreciate your commitment to the betterment of our schools and the overall educational experience for our children. By working together, we can ensure that our new Superintendent is well-equipped to lead, inspire, and nurture the potential within each student.

Thank you for your time, dedication, and passion for our community. Your feedback is the cornerstone of this process, and we look forward to continuing to build a brighter educational future together.

Thank You
