Dear Team,

It was exciting to see the butterfly hatch yesterday! We'll have to keep an eye on the other chrysalises.

This morning we'll do more work on iReady and get break spots set up.

Your loving teacher,  
Ms. Domina

This evening is Open House. What can you show your family in our classroom?

## MATH 4 ME

SBS PRACTICED THE “NOTICE AND WONDER” ROUTINE  
WITH THIS IMAGE THIS WEEK.

SOME THINGS THAT PEOPLE NOTICED INCLUDED:

THERE ARE A LOT OF COLORS

THERE ARE LINES GOING OUT FROM THE CENTER

THERE ARE BIGGER, CLEANER BUILDINGS IN THE BACKGROUND

SOME THINGS THAT PEOPLE WONDERED INCLUDED:

DOES ANYONE LIVE IN THESE BUILDINGS?

HOW MANY APARTMENTS ARE THERE?

HOW TALL ARE THEY?

WHAT DO YOU NOTICE AND WONDER?
