

## State of Maine Plumbing/Subsurface Wastewater Permit Fee Schedule

Disposal System Components	Fee	DWP Share (25%)	DEP Surcharge
1. Complete Non-engineered System (Includes 1 treatment tank, 1 disposal field & 1 pump)	\$300.00	\$62.50	\$15.00
2. Primitive System (graywater & alt toilet)	\$300.00	\$25.00	\$15.00
3. Alternative Toilet	\$100.00	\$12.50	NA
4. Non-Engineered Treatment Tank (Includes pre-treatment tanks and pump tanks of 750 gallons or greater)	\$200.00	\$37.50	NA
5. Holding Tank	\$200.00	\$25.00	\$15.00
6. Non-Engineered Disposal Field	\$200.00	\$37.50	NA
7. Gray Water System/Separated Laundry System	\$200.00	\$8.75	\$15.00
8. Complete Engineered System**	\$300.00	\$50.00	NA
9. Engineered Treatment Tank (only)	\$200.00	\$20.00	NA
10. Engineered Disposal Field (only)	\$200.00	\$37.50	NA
11. Pre-Treatment (Pre-treatment components are charged as either treatment tanks or miscellaneous components)	NA	NA	NA
12. Miscellaneous Components	\$30.00	\$7.50	NA
First-time System Variances (*State receives Fees for first time variances, requiring State Approval. The State does not receive fees for first time variances requiring only LPI Approval)	\$30.00	\$5.00 *	NA
Replacement System Variances (No Fees go to the State)	\$30.00	NA	NA
Seasonal Conversion Permit	\$100.00	\$12.50	NA

\*\*Engineered Systems includes one disposal field and two tanks and pump. If two “pods” or a disposal field are more than 20 feet apart, they are charged like a separate engineered system. Additional tanks and disposal fields for an engineered system are charged with the engineered treatment tank or engineered disposal field fees. For more information, please contact [subsurface.wastewater@maine.gov](mailto:subsurface.wastewater@maine.gov).

### Internal Plumbing Permits

	Fee	DWP Share (25%)
<b>Minimum fee, includes up to 4 fixtures/ hook-ups</b>	\$60.00	\$10.00
Individual fixtures, (minimum fee applies)	\$15.00	\$2.50
Mobile or Modular Home – factory components & hook-up only	\$60.00	\$10.00
Hook up to public sewer, (minimum fee applies)	\$15.00	\$2.50
Hook up to existing subsurface system, (minimum fee applies)	\$15.00	\$2.50
Piping relocation with no new fixtures, (minimum fee applies)	\$15.00	\$2.50
Permit transfer, (Must be on its own permit. <b>Minimum fee does not apply.</b> )	\$15.00	\$2.50

Maine DHHS/CDC – Subsurface Wastewater Revised 11/13/2020

Adopted by South Bristol Select Board 09/18/2025
